RESPONSE TO NOTICE OF INSUFFICIENT FEE

Sir:

Attorney for applicants has received a notice indicating that insufficient fees were submitted for national entry of the above application.

In a telephone discussion with Ms. Kidwell, it was pointed out that the national stage submission included a deposit account charge authorization for any additional necessary fees in the application, and attorney for applicants was advised that the needed fees will be deducted from the deposit account.

Should any questions arise, the Patent Office is invited to telephone attorney for applicants at 212-490-3285.

Respectfully submitted,

Andrew L. Tiajolloff
